CIVIL ACTION #

3:07-CV00270-MTH-WC

## Amendment To Complaint

I am entering 2 names that have an on going law suit, that is exactly like mine. Against the same place and people and there usual tactics of beating there inmates, mistreating them. Locking them down for days, with no mat or bed to sleep on. Slamming there doors on the hands of one inmate breaking his fingers. Mainly Sgt Pierce Moore & Co. Against, but I like to add Sgt Bussey for condoning such action & covering it up. More than three accounts of these beatings, with three different people.

CIVIL ACTION # 307-CV-00270-MHT-WC

in three different situations at the Russell Co. Jail.

This should remove any doubt of who is telling the truth and that there is sufficient evidence that this jail & its authorities should be further investigated and removed from duty until a full investigation is completed and Moore, Wurst & Sgt Bussey are dismissed! If this isn't taken serious soon some one is going to be D.O.A. at the hospital, then its gone be to late!!

#II I have a refusal to which I tried to go thru the chain of command here at the Superior Court and was politely turned down. This however shows that I did go from a many request forms to a five page grievance, to asking the lower courts here for help, but to no avail until I reached your courts.

Thank you.
